

Thank you for taking the time to read the Village's E-News. These messages are sent approximately once per month and include timely information regarding Village events, news and other useful information. We strive to keep the content brief and relevant to the issues that matter most to the community.

Message from the Village President

Dear River Forest Residents,

COVID-19 Update

Thank you River Forest for helping keep us safe during the COVID-19 pandemic. As of today, the percent change in confirmed cases over the past 14 days is -15%. Please click [here](#) and select "Case Data by Town" to see updated information from the Cook County Department of Public Health. Always remember to wear a mask and social distance.

Equity and Inclusion

The Board of Trustees will soon consider approving a partnership with Dominican University to help create a culture of equity and inclusion in River Forest by working with our residents and neighboring communities. On September 29, we heard an exceptional presentation from **Sheila Radford-Hill**, PhD, a River Forest resident who serves as the chief diversity officer at Dominican University. As a member of the Dominican leadership team, **Dr. Radford-Hill** collaborates with university and community stakeholders to promote diversity, equity, and inclusion. She explained the framework, "Truth, Racial Healing & Transformation" (TRHT), which we will be using within our working groups. For more information please visit our website www.vrf.us.

Halloween

The Village Board of Trustees will hold a [Special Meeting on Monday, October 5, 2020 at 7PM](#) to continue our discussion on Halloween Trick-or-Treating in our community. We have guidance from the Illinois Department of Public Health that we will use to help our deliberations. For more information, refer to the IDPH [website](#) and [press release](#). Also, currently most neighboring communities have decided to permit trick-or-treating with restrictions. Please refer to our website www.vrf.us for more information.

Senior Flu Shots

The [Illinois Department on Aging](#) (IDoA) is encouraging all older Illinoisans to get a flu shot. Doing so will help reduce the strain on healthcare systems and keep hospital beds and other medical resources available for COVID-19 patients. The CDC recommends getting a flu shot this month. Flu vaccinations are available in River Forest at Walgreens, CVS, and Jewel. Click [here](#) for more information about this year's flu season from the Centers for Disease Control (CDC).

2020 Census - Time is Running Out!

The deadline to respond to this year's Census has been extended to **October 5, 2020**. Head to my2020census.gov and Be Counted River Forest! **The Census is safe and secure, quick and easy, and matters for our community.** You can respond [online](#), [by phone](#) or [by mail](#).

If you have already completed the Census, check in with your friends and family to be sure they have done the same. If you know someone in a traditionally undercounted population such as a senior or someone in multi-family housing, please reach out to them and make sure they are counted. Spread the word!

Tour de Proviso

Tomorrow at 9:30am, join Broadview Mayor Katrina Thompson, Bellwood Mayor Andre Harvey and Maywood Trustee Miguel Jones on a bicycle tour of Proviso Township. The tour begins at Broadview Village Hall (2350 S. 25th Avenue, Broadview), ends at 718 S 5th Avenue in Maywood. Click [here](#) to view the flyer and biking route. Tag @VillageofRiverForest in your photos on Instagram and Facebook!

USPS Appreciation

River Forest residents have designated Monday, October 5 as a day to give a collective "Thank You" to USPS essential workers who have tirelessly served the community throughout the pandemic. Residents can participate by chalking sidewalks, making homemade cards, putting signs on their mailboxes, or even giving their carriers a small gift. Join together on October 5 to let them know how much our community appreciates all they do for us!

Tree Trails

Congratulations Nicole and Arabella Scott (Arabella is pictured here next to her favorite redbud tree) who were the first winners of the Sustainability Commission's [Tree Trails](#) activity, winning three months of free curbside composting. If you have not yet had a chance [to participate](#), you still have time! The contest has been extended through October 31 and a second winner of three months free composting will be chosen.

Sincerely,

A handwritten signature in black ink that reads "Cathy".

Village Spotlight

The Village's 2020 Asphalt Patching Project will take place during the week of October 5. Work will include the removal and replacement of surface asphalt at more than 100 locations throughout the Village. Most patches will be restored to a depth of 2", while more severe locations will be restored to a depth of 4". It is anticipated that this work will be complete by the end of the week. Staff annually inspects all streets and areas of pavement failure to identify where patching is needed. Street patching maintains and improves surface conditions of Village streets, alleys and parking lots, prolonging the life of the pavement. This is a less expensive alternative to resurfacing, which involves not only the replacement of defective surface but also additional surface areas that have not yet begun to deteriorate. The annual patching program helps keep Village roadways safer for motorists and bicyclists.

Fall Leaf Collection

The Village's annual Fall Leaf Collection Program runs now through **12/4**. The next opportunity to dispose of leaves after 12/4 will be during the yard waste collection program, which starts in April 2021. Rake only leaves onto the street by 7AM on your collection day, leaving the curb exposed, where Village and Strom crews will collect them. Grass clippings, brush or any other type of yard waste mixed with your leaves will not be collected. Click [here](#) for the collection schedule.

Voting in the November 2020 General Election

Voter Registration

Eligible voters can register online, in person, or by mail. Click [here](#) for more information about voter registration.

Early Voting

For the November 3, 2020 Election, traditional Early Voting will take place **10/19 – 11/2**. The nearest early voting locations are Elmwood Park Village Hall (11 W Conti Pkwy), Maywood Courthouse (Whitcomb Building, Rm. 104, 1311 Maybrook Dr), and Oak Park Village Hall (123 Madison St). Click [here](#) for more information about early voting and more early voting sites.

Vote By Mail

Any registered suburban Cook County voter may request a mail ballot online. Once the County verifies your registration and processes your application, they will send a paper ballot to the mailing address you designate in your application. The deadline to apply is five days before an election, however ballots must be postmarked by Election Day (November 3) in order to be counted. Click [here](#) for more information about voting by mail and click [here](#) for an FAQ.

Election Day Voting

Registered suburban Cook County voters can only vote in their home precinct on Election Day. Residents who are not registered to vote may register and cast a ballot on Election Day. Those who wish to register on Election Day must present two qualifying forms of ID. Registered and unregistered Cook County residents can find their assigned polling place with the [Your Voter Information tool](#).

River Forest Police Department

The River Forest Police Department has issued a [press release](#) to remind residents to Click It or Ticket. For more information, visit [BuckleUpIllinois.org](#).

River Forest Fire Department

As the seasons change, the River Forest Fire Department would like to remind residents about fall fire safety. Click [here](#) for safety tips on Halloween decorating and home heating, and [here](#) for pet safety tips.

The Fire Department would also like to inform residents about the [new Illinois Smoke Detector Act](#) that will take effect January 1, 2023, which will require property owners to replace old smoke alarms with a 10-year battery smoke alarm.
