Message from the Village President

Dear River Forest Residents,

Summer is winding down and our children have returned to the classroom. That means keeping our children safe as they walk and bike to school becomes a top priority. The Board of Trustees and I believe that safety is our number one priority. We ask you to watch the road, drive slowly, obey traffic signs and yield to pedestrians, particularly at intersections that do not have stop signs. And we also ask you to not text and drive or speak on cell phones in and around school zones and as you drive elsewhere through River Forest.

You also will notice traffic and safety changes around Roosevelt Middle School. The sidewalk on the west side of Jackson has been widened. During school hours there are on-street parking restrictions on Jackson and Oak Street is closed to traffic. The Village will continue to monitor the impact of these changes, and we welcome feedback from residents.

What makes our community safe and strong is the dedication of our police officers. I was proud to present the police department's highest commendation, the Department Medal of Honor, to Sgt. Chris Pate, a 15-year veteran and Officer Dan Humphreys, a 5-year-veteran for their dedicated service. Both showed courage and judgment during a shooting incident on July 12, and the Board of Trustees and I are grateful for their service.

We are pleased to report that economic development is in full swing. To meet one of our Board goals of stabilizing property taxes, the Economic Development Commission and the Board have created a business district on Lake from Lathrop west to Park. Trustees will take public comment, discuss and evaluate three proposals for development at Lake and Park at a Committee of the Whole Meeting on Monday, September 21 at 7:00 p.m. at Village Hall. Establishment of TIF districts along Madison Street and North Avenue is also in full-swing. And we are looking ahead as Fresh Thyme Farmer's Market starts rehabbing the long-vacant Dominick's site on North Avenue.

As part of a Board commitment to improving property values, I would like to update you on our Northside Stormwater Management Project (NSMP). It is ahead of schedule and under budget. Because of that diligence, we will be extending the mainline sewer from William to Harlem. We anticipate all of the underground work and restoration will be done by late November/early December, weather permitting.

Please do not forget the annual LemonAid event which will be held on Friday, September 11 from 3 to 7 p.m. on Bonnie Brae between Oak and Chicago. Proceeds from this event benefit charities chosen by the volunteers who work tirelessly to organize LemonAid each year. A link to the LemonAid Facebook page is [here](#) for your convenience.

Sincerely,
Cathy Adduci

LemonAid

LemonAid will be hosting their annual event on Friday, September 11th from 3 p.m. - 7 p.m. on the 700 block of Bonnie Brae. In memory of the September 11th attacks, LemonAid works to raise awareness and funds for local charities that serve children. To learn more or to donate, please visit [LemonAid's website](#).

Construction Update

[Village Board](#)

The NSMP continues to move east through River Forest and is currently well ahead of schedule and appears to be under budget. In order to take advantage of the time and cost savings realized thus far, the Village Board recently approved a change order that will see the continuation of the main sewer line in Greenfield Street extend all the way to Harlem Avenue (it was originally scheduled to stop at William Street). This extension will provide additional stormwater capacity and will complete all NSMP construction on Greenfield Street. Though the scope of the project has increased, it is still scheduled to be completed within the original time frame. We realize the impact that this project has had on residents within the affected area and appreciate everyone's cooperation throughout the construction.

Proclamation - Kiwanis International Day

At the Village Board of Trustees meeting on July 13th, 2015, Village President Cathy Adduci signed a proclamation declaring August 1st, 2015 Kiwanis International Day. The Kiwanis Club of River Forest & Oak Park serves the community through the development of community leaders, education, positive role models, intercultural understanding and cooperation, and opportunities for fellowship, personal growth, professional development and community service.

Emerald Ash Borer Update

River Forest is nearing the end of its Emerald Ash Borer (EAB) infestation and nearly all non-injected trees have been removed. To date, the number of trees lost to EAB totals just over 800 or approximately 10% of the total parkway tree population. Approximately 40 non-injected trees remain and will be removed as they decline from EAB.

Two hundred and seventy five ash trees are currently being injected on a biennial basis in areas where mono-cultures exist and those trees will be replaced slowly over time to reduce the aesthetic impact. The majority of tree removals occur during the summer and stump grinding and parkway restoration follow shortly thereafter.

Due to the heavy losses from EAB, we will be planting 150 trees this fall and another 150 trees in the spring in an effort to replace parkway trees as soon as possible.

This [map](#) represents an ash tree inventory that was conducted in 2006, approximately two years before EAB was discovered in River Forest.

Fall Leaf Collection

The Village's annual Fall Leaf Collection Program runs from September 14th through November 27th. The next opportunity to dispose of leaves after November 27th will be during the yard waste collection program which starts in

April 2016. Rake only leaves onto the street by 7 a.m. on your collection day, leaving the curb exposed, where Village and Strom crews will collect them. Grass clippings, brush or any other type of yard waste mixed with your leaves will not be collected. Leaves are collected on both sides of the street in accordance with the following schedule:

Mondays: The area west of Thatcher including Edgewood, Auvergne, River Oaks and Lake, and all streets south of the Union Pacific Rail Road tracks.

Tuesdays: Harlem through and including William.

Wednesdays: Monroe through and including Lathrop, north of the Union Pacific Railroad.

Thursdays: Ashland through and including Park, north of the Union Pacific Railroad.

Fridays: Forest through and including Thatcher, north of the Union Pacific Railroad.

Fire Department Open House

The River Forest Fire Department will be hosting an Open House to culminate Fire Prevention Week on Saturday, October 10, 2015. Department fire fighters and paramedics will display fire apparatus, fire equipment and give tours of the fire station. Fire prevention and safety materials will also be available on a number of topics. This event is free and open to the public.

Know the Code!

Help emergency responders find you by ensuring your address is visible from the street!

Here are a few other reminders:

- Lawn bags cannot go on parkway before 6 p.m. on Monday.
- Large items such as furniture, televisions, etc. cannot be left out on the parkway to see if someone will take them. Large items put out for pickup must have a garbage tag and cannot be put out until the night before the assigned pick up day.
- Estate and Garage sale signs are prohibited from being posted on parkways.

Landscape Contractor Hours

As a reminder, please remember that landscape contractors are required to be licensed with the Village and abide by the work hour restrictions. Landscape contractors are permitted to work Monday through Friday, 7 a.m. – 6 p.m., and on Saturdays from 8 a.m. to 5 p.m. They are not allowed to work on Sundays or holidays. Work conducted outside these hours could result in fines.

RIVER FOREST LIBRARY SPOTLIGHT

Upcoming Library Events

Style Over 60, Thursday, 9/10, 7 PM: River Forest resident Chris Hauri presents Style Over 60, fun and practical tips on colors, style and shopping. This program is held in partnership with the River Forest Township as part of our series, Let's Celebrate Seniors All Year Long.

My College Planning Team, Wednesday, 9/23, 7 PM: Parents of high school students - it's never too early to begin planning for college. Experienced professionals will share their knowledge and expertise to guide you in your family's college search, selection and funding. This event is free but requires registration. Visit the library's event calendar at www.rflib.org to sign up.

Syria, Sunday, 9/27, 2 PM: In Syria today, Civil War is displacing millions. Against this bleak background, Bill Helmuth will personally take you to the cities, including Damascus, the grand Mosques, exotic outdoor markets, ancient Christian citadels and crusader castles, to explore this fascinating culture.

Kaplan ACT Prep Test, Saturday, 9/19, 9 AM-1 PM: High school students are invited to head to the RFPL to take a free, full-length practice ACT test sponsored by Kaplan Test Prep. A fully-proctored practice test shows students what to expect in a test-like environment. This is a great opportunity to practice before the real thing! Space is limited so registration is required.

Grandparents' Open House, Monday, 9/14, 10 AM-4 PM: Grandparents (and grandparent figures) are invited to stop by the Library between 10 AM and 4 PM with the special children in their lives to share stories, make a craft, and enjoy refreshments.

Magic Tree House Party, Wednesday, 9/23, 2-3:30 PM, Grades K-4: Dinosaurs, knights, and mummies, oh my! Travel like Jack and Annie in a Magic Tree House with games, activities, and snacks that celebrate this enduring book series. [Registration required.](#)

Parachute Play, Thursday, 9/24, 10-10:30 AM, Ages 2-5: Join us for fun with parachutes! Bounce, wiggle, and have fun as you play with our favorite prop.
