## Petition CIRCULATOR Instructions

1. You **MUST** be at least 18\* years old and a United States Citizen. *Circulators* do not need to be registered to vote or even live in Illinois. Circulators should provide a copy of a picture ID that contains their current residence address to the campaign.
2. You should always ask a potential petition signer if they are registered to vote.
3. Use dark blue or black pen, if possible. Do not use pencil.
4. You **MUST** personally witness all signatures made on the petition sheet. The circulator has a *sworn* duty to ensure only valid, witnessed signatures are on the petition sheets.
5. Circulators **may** sign a petition sheet they circulate (but only once and only if they qualify as a signer).
6. Petition sheets with fewer than 10 signatures are still valid; all partial petition sheets should be submitted.
7. Do **NOT** number the petition sheet.
8. If you learn or think that a signature is not valid, do not worry. Please bring this to the attention of the campaign but do **NOT** strike, change, or otherwise mark the petition sheet unless otherwise instructed to do so. Make notes on a separate page.
9. If a petition signer uses ditto marks, abbreviations, or otherwise incomplete information, you **can** fill in anything except the actual signature. If you are uncertain what to do with a given signature, please bring it to the campaign's attention when you turn petitions in. If a person signs in the printed name column and vice-versa, ask the person to skip to the next line and sign in the correct column and make sure the campaign is made aware.
10. **CRITICAL:** You **MUST** sign the oath at the bottom of each petition sheet that you circulate as the circulator *in front of an Illinois Notary Public*. The notary **MUST** witness you sign the circulator's affidavit at the bottom of the petition sheet and must sign, date, and stamp/seal where indicated.
